Pursuant to the duty of disclosure as set forth in 37 C.F.R. §1.56, §1.97 and §1.98, applicant hereby discloses publications known to him which may be material to the patentability of this invention. The publications are listed on the attached Form PTO-1449, and copies are enclosed. Kindly acknowledge receipt of this Statement and make the cited references of record in the subject application.

Submission of these publications does not constitute an admission that any are "prior art" under 35 U.S.C. §102 or §103, and applicant specifically reserves the right to antedate any such material as by a showing under 37 C.F.R. §1.131 or other method. To applicant's knowledge, no office action on the merits has been mailed in the subject application. Thus, no fee is due for the filing of this information disclosure statement.
